

Wild West Regional 2025 Trial Information

Thank you for supporting USDAA and Good Dog Agility! We hope you have a great time at the regional, and that you and your dogs achieve goals...whether it be a podium spot, running with confidence, or simply getting through a course without Eing (always my goal with Squirrel! 😊).

Please read the following so you know what's what! 😊

- **Time Table**

This is subject to change depending on frost. We must wait until the all-clear from the friendly folks at the Kino Sports facility before we can get on the field.

Day	Check-In/Setup/Measuring	Briefing/Walkthroughs	First Dog on the Line
Thursday	Setup: 3 – 5 PM	3:30 PM (Misc. class)	4:00 PM (Misc. class)
Friday	8:00 AM	8:30 AM	~9:00 AM
Saturday	8:00 AM	8:30 AM	~9:00 AM
Sunday		Steeplechase Finals: 8:30 AM	~9:00 AM

- **Arrival for competitors on Thursday** shall be no earlier than 3 PM. Competitor and RV check-in will be from 3 PM – 5 PM on Thursday. Please come to the Admin/Check-in area inside the field before you park your rig. All RVs must have pre-paid for their spots, and will receive a placard that must be displayed at all times. Please make sure you check in and you will be directed to your spot. If you are coming early to help set up, please see Annie for your RV spot and placard.
- **Thursday field set up begins at 10 AM.** Personal set up areas for competitors cannot be done prior to 3 PM. Please follow any posted signs or staff directions on where you can set up your canopies. When you set up, please note the following:
 - You cannot use any stakes that are more than 6" long
 - If you use a ground cover on the grass, it must be picked up each night.

These are venue requirements and will be enforced by them.

- **EVERYONE** needs to show me a height card at check-in. This is a Regional rule. PLUS, we will have SWAG for all competitors, so be sure to check-in!!
- **Course maps** will be posted by 8PM the night prior in the [Regionals 2025](#) folder on Google Drive.
- **Your Chief Ring stewards are Denise Titzer and Gail Todd.** We will have only 2 rotations, so if you run a small dog, please consider working for the big dogs, and vice versa. There will be sign-up sheets at each ring. Anyone who works 2 or more classes will be provided with lunch, along with our undying gratitude! 😊
- The **Veteran's Parade** will take place on Saturday during the course builds for the Regional GP and STP. Be sure to be attentive to the announcements so you know when to get your Vet ready for their 15 minutes of fame!
- **If you owe me GP Byes...**BE SURE to bring them and hand them to me. If you have one Bye and hope to earn another one on Friday, bring the one Bye with you so you can then hand them both to me!!

- In addition to the traditional **regional awards**, we will also have the following special awards:
 - **Strategic Games.** Gold, Silver, and Bronze medals will be awarded to the teams who have the highest total scores from Gamblers and Snooker.
 - **Volunteer Extraordinaire.** This award recognizes the competitor who goes above and beyond to help make the event successful. The trial committee will select the winner, but we will take input from judges and other competitors. If you would like to nominate a fellow competitor, you can do so at the scorer's table.

All volunteers will receive a raffle ticket. There will be an array of awesome prizes to choose from, so be sure to help out as much as possible!

- We will be using **Agility Gate**. The code will be sent out prior to the beginning of the trial.
- **Bitches in season** are allowed to run, but the dog must run in panties and must wear the panties around the field...except when pottying of course! 😊
- **Team walk-up songs** are always fun to have! If you want a specific walk-up song for your team, please be sure to visit our amazing DJ, Annie DeChance, and put down your top song plus a back-up just in case she doesn't have it.
- **Blue will be there!** If you haven't experienced a massage by Blue, or have never used her "magic legs," then you need to sign up for a great experience!! You can sign up on the 2025 Wild West Regional Facebook page!
- **Score Dispute Process**

You may dispute the following:

- Scribe error
- Timer malfunctions
- Misapplication of current USDAA rules
- Score table mistake

If you have a dispute, please come to the scorer's table and complete the dispute form. Disputes will be reviewed by Masters judges on the trial committee. Their assessment will be based on clear video evidence. Judgement calls of the official in the ring during the run are NOT reviewable (i.e., missed contact, refusals, etc.). We will review only your run and not that of another competitor. Disputes must be submitted within 4 hours of the completion of the class that the run was performed. (except for Finals classes, which must be submitted prior to the Awards ceremony), and you must have video to review.

- **RV and Competitor parking** is designated in the diagram below. Note the following:
 - Competitor parking will be in the lot marked with the red square.
 - RV parking will be in the lot marked with the yellow square

The Rock and Gem show is in the process of being setup, so there will be big white tents in the lot to the west of the field.

Also, how cool is it that the satellite picture was taken during an agility trial! 😊

That is all! Thank you again for supporting the Wild West Regional, run on the “Best Grass in the West!”
