Parking: Cars can park in the parking lots east of the school along Extension Rd. Larger vehicles/trucks/RV's/Overflow parking can park in the southeast end of Fiesta Sports Park parking lot, north of the school. There is a crosswalk directly to school grounds. I will be reserving a large space for 3 RV's to park during the show on Saturday and Sunday. Please don't park in the reserved section in the NW back corner of the school grounds. **Do not park inside the gate near the basketball courts (these few spaces are for the show committee)!**

Field Layout: There should be plenty of space for everyone to setup. We will mark the border with flags where you can set up behind to make sure there is adequate space away from the rings. **Ring 1 = Contact Ring (Priority) and Ring 2 = Jumper's Ring**

Food: Lunch will be available for volunteers at 11:30 each day in the hospitality tent. Snacks and water will be provided as well.

Dog Play Area: A fenced dog play area is accessible to competitors through the dugout. If someone is already in the play area with their dogs, please ask before bringing your dogs in to play. If the other person refuses, please kindly wait your turn outside the dugout.

Volunteer Raffles: Volunteer raffles will happen throughout both days of the show. Volunteers that have signed up on the volunteer sheet will be eligible to win even if they haven't worked that class yet! Winners will get to choose a prize from a variety of fun prizes!

Doggie Bytes: GDA's digital currency "Doggie Bytes" will be earned based on the workers that show up to work. Ring Stewards will confirm that each person signed up on the app worked. Your name will turn green and have a check mark. Doggie Bytes earned will be placed in your account within three weeks after the show. Your Doggie Byte balance can be found on the GDA website https://gooddog.org/.

Course Maps: Course maps will be found on Agility Gate each night. They are typically there by 7:00pm each night for the next day's classes. Class results will be placed on GDA website (click on the button named "Class Results") or this link GDA Class Results. Each day's results can be found using these links as well.
